We build partnerships with families and community by delivering services which enrich lives and shape our future.

Our Philosophy

Boundary Family Services (BFS) is dedicated to providing participants with high quality services using a person centred approach that empowers them to define and set goals and assists them to build on their personal strengths and supports.

Boundary Family Services is a CARF Accredited Agency
Commission on Accreditation of Rehabilitation Facilities

"It's a good way to connect with parents who aren't in our usual social circles"

What happened during the year...

- Grand Forks and the Boundary experienced an unprecedented freshet event in May of 2018 resulting in major flooding throughout the region. Boundary Family Services became the Wellness and Unmet Needs pillar in the flood recovery effort, hiring 5 Flood Recovery Case Managers to assist flood-affected residents and businesses in navigating post-disaster resources.
- In the Fall of 2018, Boundary Family Services formally became the agency of record for the management of upcoming BC Housing affordable and supported housing developments in Grand Forks.
 - Breastfeeding Café celebrated its 10th birthday.
 - Boundary Family Services partnered with the Grand Forks Farmer's Market and the BC Association of Farmer's Markets to provide over \$7000 in vouchers to pregnant women and families with children under 6 years of age.
